EDUCATION

S.D. COLLEGE OF ENGINEERING & TECHNOLOGY

B.Tech - Information Technology

CGPA: 8.0

Muzaffarnagar, U.P.

10/2023 - 04/2027

M.G. Public School

Senior Secondary School, Science

Percentage: 90.2%

Muzaffarnagar, U.P.

04/2022 - 04/2023

M.G. Public School

Secondary School, Science

Percentage: 94.8%

Muzaffarnagar, U.P.

04/2020 - 04/2021

EXPERIENCE

Infotact Solutions | Data Associate L1 Intern

Remote, India | 04/2025 - 06/2025

- Developed File Organizer Script: Automated local directory file sorting by format type with robust error handling routines.
- Developed Product Price Tracker: Built an e-commerce web scraper using requests and BeautifulSoup featuring automated JSON configuration and email threshold alerts.

Enginow | Data Science Intern

Remote, India | 01/2026 - 02/2026

- Performed core data analysis, predictive modeling, and executed machine learning workflows.
- Built data pipelines and processed large datasets using Python, Pandas, and NumPy.

SkilledEra | Software Developer Intern

Remote, India | 04/2026 - Present

- Designing, developing, and deploying software components and clean application code.
- Collaborating with the engineering team to optimize web solution architectures and implement new features.

SKILLS

Programming Languages: Python, Java, C, JavaScript, HTML, CSS, TypeScript, SQL

Libraries/Frameworks: React.js, Next.js, Node.js, Express.js, Pandas, NumPy, Matplotlib, OpenCV, LLMs, RAG, NLP, Machine Learning, Generative AI, Computer Vision, Agentic AI, Hugging Face, LangChain, REST APIs

Tools / Platforms: Git, GitHub, VS Code, Vercel, Render, Gemini, Figma, GitHub Copilot, OpenAI, Anthropic Claude, Docker

Databases: MongoDB, MySQL, PostgreSQL, Firebase, DynamoDB, Qdrant Database

PROJECTS / OPEN-SOURCE

SHE360 - AI Smart Women Safety, Health & Wellness System | [Link](#) *React.js, Next.js, TypeScript, Tailwind CSS, Python, AI/ML, Firebase, Google Maps API, GitHub, Figma*

- Built **SHE360 AI**, an AI-powered platform integrating womens safety, health monitoring, and mental wellness with features like **Emergency SOS, Voice Guard, risk insights, and location sharing**.
- Developed **AI-based PCOS/anemia risk assessment, mood tracking, wellness insights, and multilingual AI assistance** to provide personalized and proactive support.

BloodBridge AI | [Link](#) *React, TypeScript, Tailwind CSS, FastAPI, PostgreSQL, PostGIS, OpenStreetMap, Firebase Cloud Messaging, Python, AI/ML*

- Built an AI-powered blood-response platform connecting hospitals with nearby compatible donors through intelligent donor matching and location-based search.
- Developed emergency alert and escalation workflows to streamline urgent donor outreach and reduce delays in blood availability.

- Implemented blood inventory monitoring and shortage-risk prediction to help hospitals proactively identify potential blood shortages.

MediSync Personal Health Passport | **Link** *React, TypeScript, Tailwind CSS, Vite, Express.js, Google Gemini, Bindu Multi-Agent AI, Stellar SDK, Corsair, Google Calendar, PDF Processing*

- Built an AI-powered Personal Health Passport that converts fragmented medical PDFs into an organized, patient-controlled health record.
- Integrated Bindu Multi-Agent AI for medical document processing, health insights, and concise doctor-ready summaries.
- Implemented Stellar Testnet verification, emergency QR sharing, clinical timelines, and calendar-based follow-up scheduling to make health records more verifiable, accessible, and actionable.

CERTIFICATIONS

- Udemy JavaScript 10 Projects in 10 Days-Course for Beginners - **Udemy**
- Software Engineering Job Simulation - **JPMorgan Chase & Co**
- Cybersecurity Analyst Job Simulation - **TATA Group**
- NPTEL Online Certification (Elite) in Data Science for Engineers - **NPTEL**
- Volunteer & Community Contributor Certificate - **DoraDAO**

HONORS & AWARDS

- ShePreneur 2026 5th Position | Built & pitched CogniPath AI, an AI-powered misconception-mapping learning platform
- Build in AI for India 2026 Top Winner | Built CreatorCopilot AI, an AI-powered creator workspace integrating content generation, personalized memory, voice input, and creator workflows.
- BriefX Marketing Challenge 2nd Position | MarkHub24 Qualified through the Marketing Intelligence Quiz and developed a practical marketing strategy for a real-world case study.
- GenLex BuildSprint 2026 2nd Place | Built and presented GriefBridge, an AI-powered emotional support platform featuring sentiment analysis, personalized insights, wellness tracking, and verified support resources.
- HCL GUVI STaR Rank #4 (June 2026) Secured 4th rank in the Scholarship Test & Rewards Program and earned a 25% scholarship for the Tech Career Program.
- Prajwalan 2025 1st Position | Secured 1st Rank among 1,254 participants in the DSA & Competitive Programming Challenge; awarded the Gold Certificate of Excellence.
